

## Fitment Instruction: Ford Ecosport Facelift Nudge

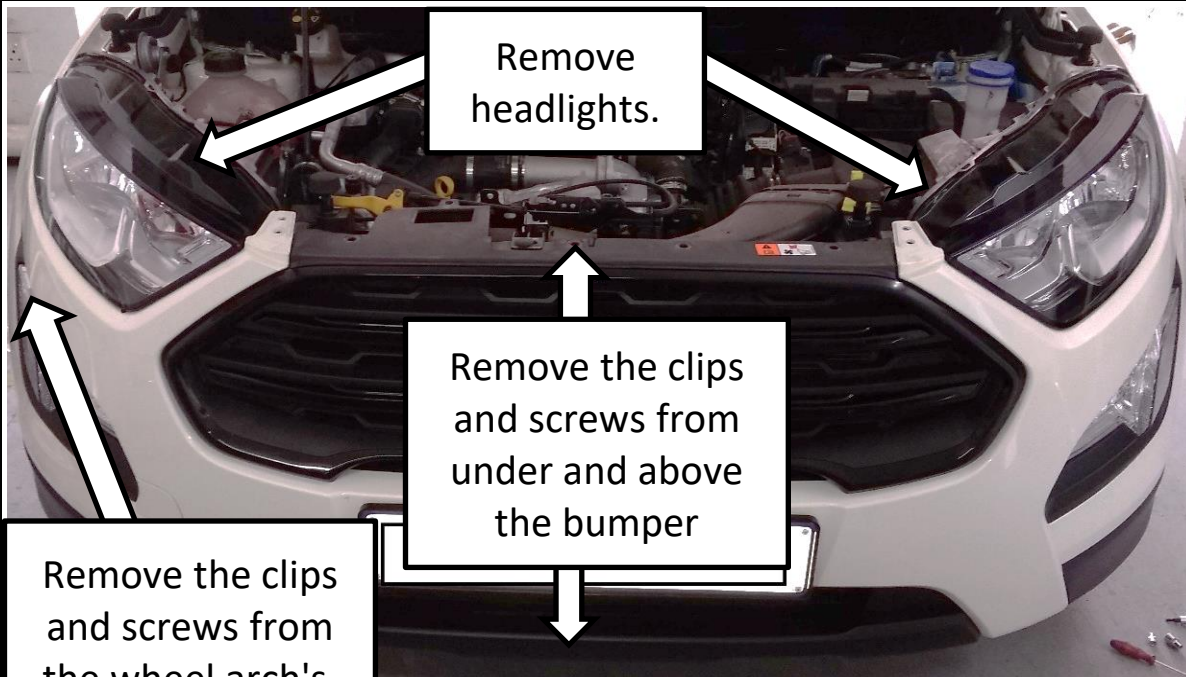

Visual / Graphic Illustration

Step #

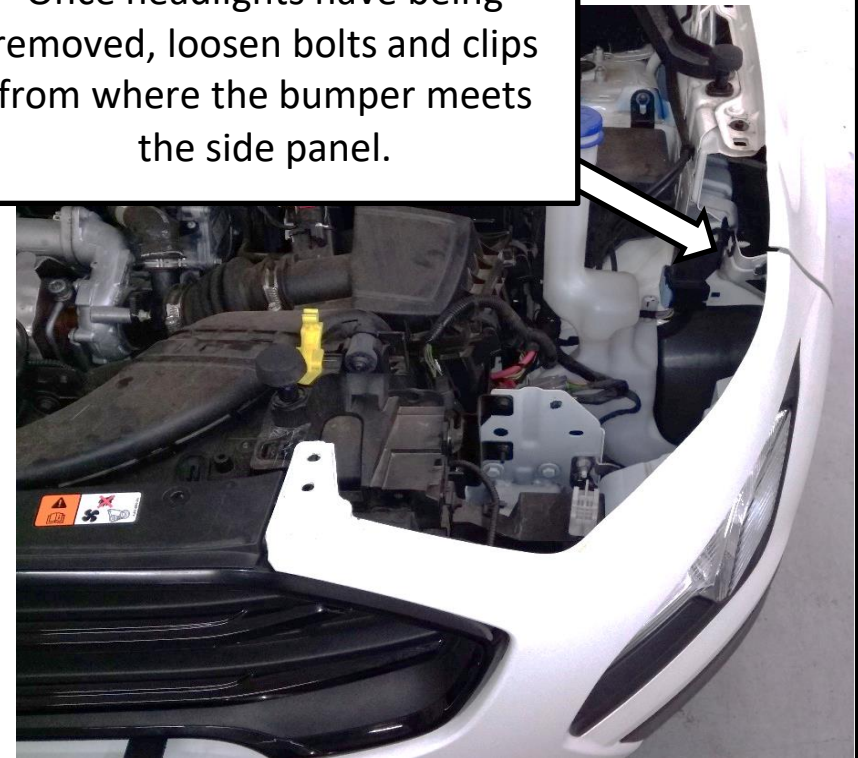

Description/Method

1

You will need to remove the front bumper as well as the headlights to fit the nudge bar.

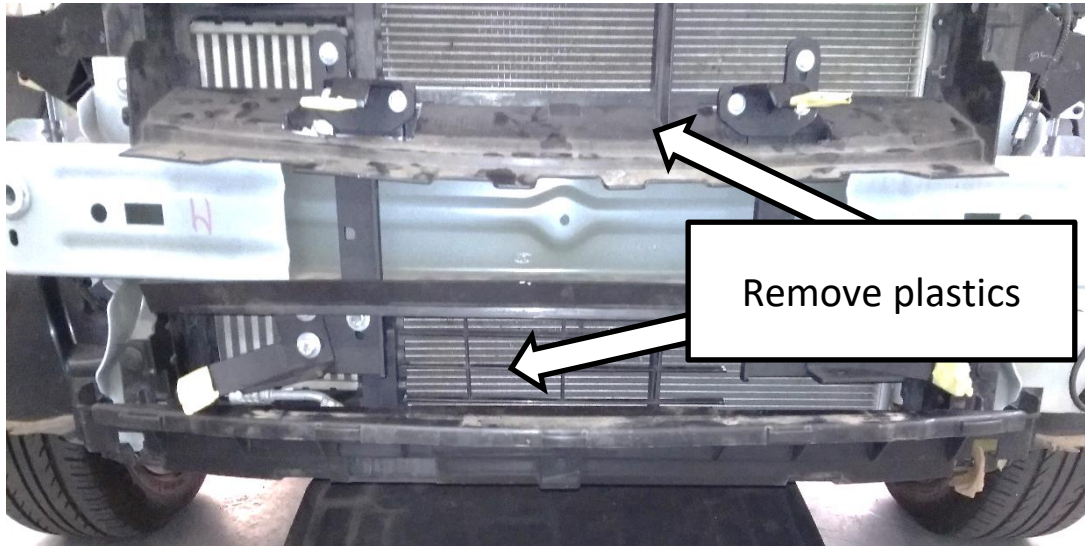

Once headlights have being removed, loosen bolts and clips from where the bumper meets the side panel.

**Fitment Instruction:**  
Ford Ecosport Facelift Nudge

Visual / Graphic Illustration

Step #

Description/Method

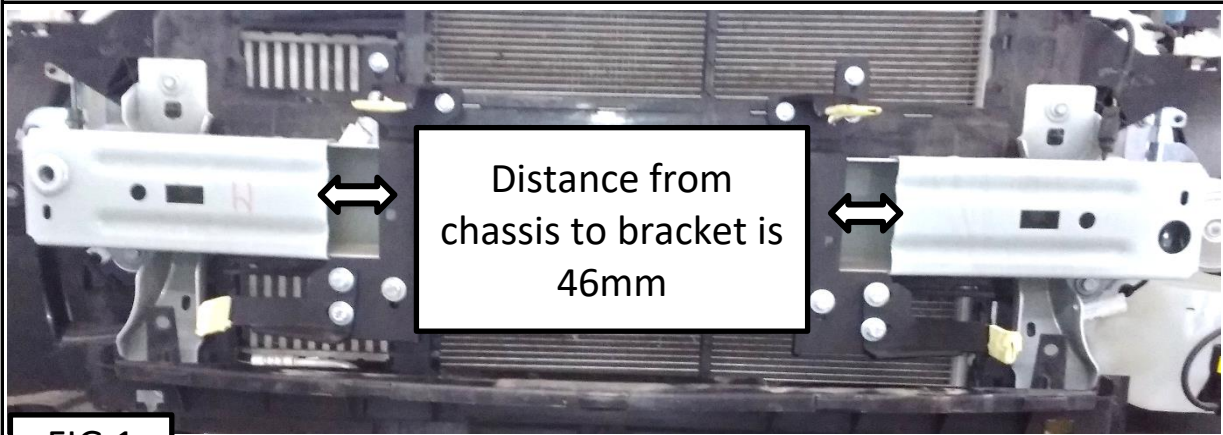

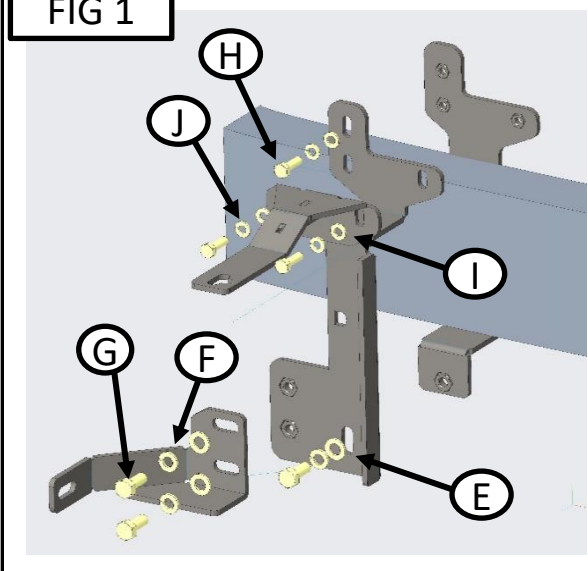

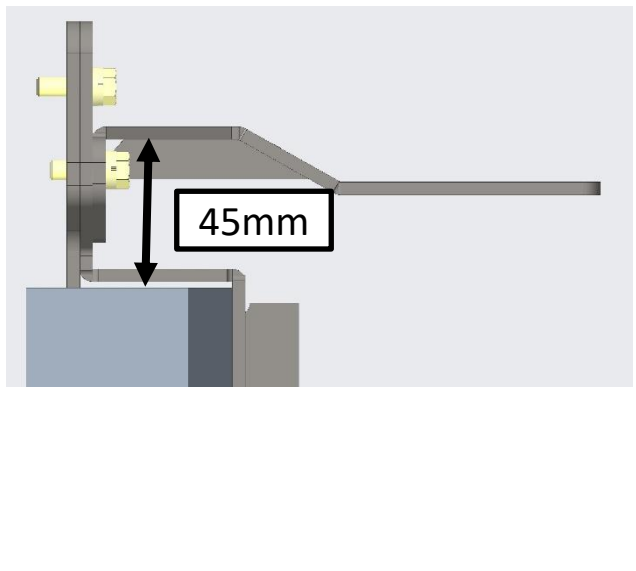

2

Remove the plastic covers above and below the support chassis.

Note

These plastics will need to be trimmed to allow the brackets to pass through them. This is shown on page 5.

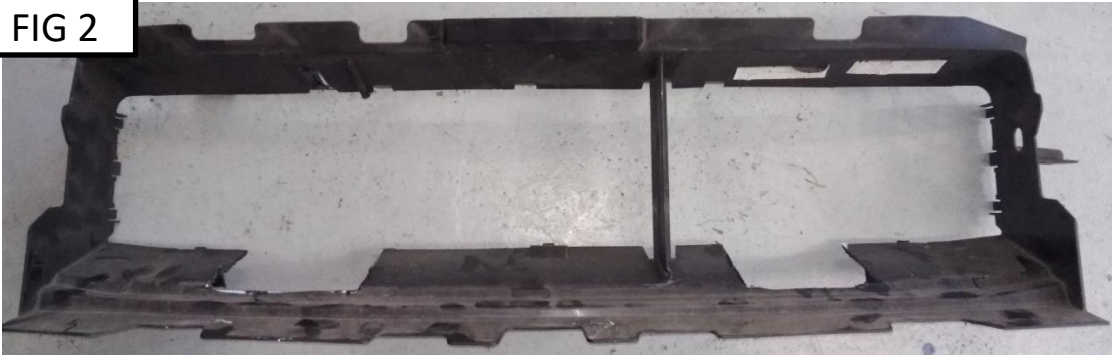

## Fitment Instruction: Ford Ecosport Facelift Nudge

Visual / Graphic Illustration	Step #	Description/Method
 <p style="text-align: center;">Distance from chassis to bracket is 46mm</p>	3	Mount the brackets as shown in FIG 1.
<div style="display: flex; align-items: flex-start;"> <div style="margin-right: 20px;"> <p><b>FIG 1</b></p>  </div> <div>  <p style="text-align: center;">45mm</p> </div> </div>
